

# Quality Policy

Presto Engineering will achieve customer loyalty by providing products of the highest quality and greatest value, and by always remembering that we are in business to serve our customers.

We will achieve this by:

1. Striving for excellence in everything we do.
2. Ensuring our products and services meet or exceed their published specifications.
3. Continuously monitoring and improving the satisfaction of our customers.
4. Managing our business to the ISO 9001 Quality Management Standard.

Michel Villemain

A handwritten signature in blue ink, appearing to read "Michel Villemain", is written over a horizontal line.
